**LEGEND:**

**Symbol meaning:**

(≥C) = Need grade C or better  
 & =and  
 approval = approval from the department  
 c = must have credit or concurrent enrollment to the course  
 dt = department placement test

**Positional Weight (PW):** means that the higher the number the more critical it is to take the class on time. The number (n) means that there are (n-1) semesters after that, that depends on the course; meaning (n-1) courses after. For example: MATH 180 has a PW: 6 which means there are 5 semesters after you take MATH 180 that requires this course.
